

ABOUT DUCKFEST

Beginning in 2014, Duckfest has provided waterfowl hunters from around the region a unique event catered to their passion for the outdoors and hunting. Steered by a committee made of passionate local business professionals and leaders, Duckfest has raised hundreds of thousands of dollars for charity since its inception. In 2017, Duckfest became a certified 501(c)3 nonprofit, further solidifying its place as an established, growing event. We hope you'll consider being a part of our continued success by participating as a 2023 event partner!
